KEY

- **asynch.**- independent online learning instruction. Asynchronous time allow participants to work, learn, and communicate without having to be online at the same time, and without the teacher present.
- **synch.**- face-to face instruction via Zoom. Synchronous tools requires all participants to be online at the same time. All links and passwords will be sent from the teacher to the students.
- **P#**-this is the period number. Use your student schedule (mailed prior) to determine the correct class/subject.

If your lunch arrives at a time when you should be participating in instruction, please get it, feel free to eat, and then finish your work.

****Fridays are completely asynchronous days for students. Fridays teachers have extended office hours. You may contact them from 9-3:45****

*****Tuesdays and Thursdays are noted as asynchronous, but teachers may schedule you for a small group or one-on-one zoom for support or as a check-in as needed*****

ATTENDANCE WILL BE TAKEN DAILY!
