

Home Visit Protocol

(Please remember (1) to pre-arrange the visit; (2) to limit to two visitors; and (3) to make the visit positive and highlight success.)

Student: _____

Parent(s)/Guardian: _____

Address: _____

Phone Numbers: _____

Date of Scheduled Visit: _____

Time of Visit: _____

Direction to House: _____

People in Attendance: _____

The following areas should be discussed:

- Ask about interests, hobbies, subjects, etc. that the student likes or would like to learn more about
- Parents' expectations for their child and what they would like to see their child learn
- Curriculum and classroom expectations
- Current academic performance in your subject area(s) (Bring examples of student's work.)
- Future topics, projects, and assessments
- How the parent can assist and support what is being taught in school
- Solicit ideas from parent(s) and student on ways to improve classroom performance
- Ask parents if they want any more information about their child's education or school programs

Follow-up requests: _____

Name of Visitor(s)

Position(s)
(Administrator/Teacher/Para-professional)
