

# *Martinsville City Public Schools' Title I Programs: Albert Harris Elementary School, Patrick Henry Elementary School, and Martinsville Middle School*

**Program 1:** Develop life-ready graduates through the integration of 1:1 technology and PowerSchool Unified Classroom.

**Program 2:** Provide STEM classes for all students in grades k-8 to develop critical thinking, creative thinking, and collaboration skills through hands on learning as well as career explorations.

**Program 3:** Develop college and career skills through implementation of Advancement Via Individual Determination (AVID) in all schools. [www.avid.org](http://www.avid.org)

**Program 4:** Recruit and retain licensed and effective teachers in every classroom.

**Program 5:** Maintain small class sizes for more individualized learning by providing additional teachers.

**Program 6:** Close the achievement gap by providing additional Reading Specialists, Fusion Reading Intervention, and Instructional Coaches.

*Empowering Success One Learner at a Time*
